

Homework Portfolio Directions

-Bi-weekly homework assignments will be graded at any time on/ after the due date.

-A separate folder will be given that will collect the assignments to create a course portfolio of student work.

-The assignments will be assigned in class, but will also be accessible on my website:

<http://jfkhealth126.weebly.com/choices-magazine-homework.html>

-Articles and videos will be used to complete assignments.

-Please use time management to complete assignments with effort, thought, and on time. Late work will be penalized and will not always be accepted. Please communicate with me any issues you may have in advance.

-To access the website use the student login.
