

Past-Present-Future Project

DUE DATE: _____

Choose one of the following Projects:

***Create a collage that represents your PAST, PRESENT and FUTURE**

Your final product should include MANY photos, illustrations, and words from magazines, computer art or songs. A collage is a piece of cardboard that is filled completely. Effort is 20 points out of the project. If it doesn't look like you put time/effort into your project, and if there are many blank areas on your poster board you will start out with an 80%. (Poster boards should be approximately 20 in x 20 in).

It must include:

4 or 5 items per bullet

PAST: Pictures or illustrations that represent

- ☺ People or experiences that have influenced you in a powerful way.
- ☺ Your greatest accomplishment
- ☺ Significant events in your life.
- ☺ Your cultural or ethnic roots

PRESENT: Pictures or illustrations that represent

- ☺ Your strongest personal value
- ☺ Something you are good at
- ☺ Something you would like to get better at
- ☺ The most important people in your life
- ☺ Something that you would like other people to know about you
- ☺ An important lesson you have learned/ your favorite activity

FUTURE: Pictures or illustrations that represent

- ☺ Your future family
- ☺ How you will spend your free time
- ☺ A job you believe you will enjoy
- ☺ A value that you believe will be consistent throughout life
- ☺ A word that describes how you would like to be remembered

OR

***Create a personalized CD album**

You do not need to (but you may) record the music. Your album must be creative. It must have a front and back cover to the booklet. Inside the album you should include the titles of the songs and verses that represent the *above* listed Past, Present, and Future characteristics of you. Write a brief explanation of how these represent part of you. Incorporated creativity and effort, or you will also start out with a grade of an 80%. Your booklet must look like a CD booklet.
